March 29, 2022 - Attended virtual Atlantic Team Meetings (Zoom)

Really am enjoying learning with the Atlantic Team and looking forward to meeting in person. I feel we would be far more beneficial if we could have training in the very near future. We have been planning for our seminar for June and we are planning an Atlantic tour. We have all attended others AGM as observers to learn and assist where we can.

Presented respectfully

Gail Budgell

ARVP NL
